sign and taboo perspectives on the poetic fiction of yvonne vera Sign languages (also known as signed languages) are languages that use the visual-manual modality to convey meaning. Language is expressed via the manual signstream in combination with non-manual elements. Sign languages are full-fledged natural languages with their own grammar and lexicon. This means that sign languages are not universal and they are not mutually intelligible, although there ...

sign and taboo perspectives on the poetic fiction of yvonne vera North Korea's nuclearization has implications for Israel's nuclear deterrence posture. There are several plausible means by which a nuclear conflict could arise in the Middle East. It may be time to consider a phase-out of Israel's "deliberate nuclear ambiguity" and to focus Israeli planning around evaluations of enemy rationality.
