Effective Programs in Elementary Mathematics - Best Evidence

the intended mathematics curriculum as represented in state level curriculum standards consensus or The word "curriculum" began as a Latin word which means "a race" or "the course of a race" (which in turn derives from the verb *currere* meaning "to run/to proceed"). The first known use in an educational context is in the *Professio Regia*, a work by University of Paris professor Petrus Ramus published posthumously in 1576. The term subsequently appears in University of Leiden records in 1582.
